(name and seat of the person granting the authorization)

EORI Nr :

To execute with Customs Authorities all acts and formalities provided for in the regulations of European Union Customs Code, customs and tax regulations etc. and gives the right to act according to present power of attorney, is for all customs agents working in the “TECHNO-ART” without any staff rotations. The following actions are associated with commodity-related traffic with foreign countries:

- preparing of necessary documents and making of customs entry,
- paying of customs debts and other charges,
- taking over the goods after release, submitting of motions and declarations,
- submitting of indemnity for amount resulting from the customs debt, receiving permits and decisions,
- submitting of appeals and other motions which are considered by Customs Bodies,
- and another not above-mentioned actions connected with the foreign trade.

Simultaneously I consent to granting of further powers of attorney in compliance with Art. 77 of the Customs Law.

The Principal undertakes to communicate without delay to the customs agency all changes in documents, which influence the afore said Power of Attorney and to deliver the necessary data. In case of default the customs agency accepts no responsibility for the mistakes resulting thereof.

This authorization is *

- constant,
- granted until,
- single.
